Dear Mr. Parsons,

There is no document. The only document will be the meeting minutes, which contain the RAIs, and this has not been sent out yet. As I stated during the meeting, our goal in sending out the meeting minutes is 30 working days from the date of the meeting.

Dear Mr. Burrows – thank you again for including me in the public meeting held April 8 in the Powertech matter (Docket 40-9075).

I am trying to obtain the .pdf format of the materials from that meeting – namely the RAI and the minutes from the meeting, along with any attachments associated.

For some reason, ADAMS is not functioning so as to allow access to the .pdf files. Would it be possible for you to email those .pdf files to me? Thanks for any help you can provide.
