Dear Mr. Sorenson:

Powertech (USA) Inc. Powertech is still awaiting an approval from the Environmental Protection Agency (EPA) for its Class V Underground Injection Control Permit to re-inject produced pump test water.

If you have any questions or require additional information, please feel free to contact Richard Blubaugh at (303)790-7528 or myself at (970)556-5988.

Sincerely Yours,
