**Ux Price Indicator Definitions**

The Ux Prices indicate, subject to the terms listed, the most competitive offers available for the respective product or service of which The Ux Consulting Company, LLC (UxC) is aware.

- The **Ux U3O8 Price** (Spot) includes conditions for delivery timeframe (<= 3 months), quantity (>=100,000 pounds), and origin considerations, and is published weekly.
- The **Ux LT U3O8 Price** (Long-Term) includes conditions for escalation (from current quarter), delivery timeframe (>= 24 months), and quantity flexibility (up to ±10%) considerations.
- The **Ux Conversion Prices** consider offers for delivery up to twelve months forward (Spot) and base-escalated long-term offers (LT) for multi-annual deliveries with delivery in North America (NA) or Europe (EU).
- The **Ux NA UF6 Price** includes conditions for delivery timeframe (<= 6 months), quantity (>= 50,000 kgU), and delivery considerations.
- \*The **Ux NA and EU UF6 Values** represent the sum of the component conversion and U3O8 (multiplied by 2.61285) spot prices as discussed above and, therefore, do not necessarily represent the most competitive UF6 spot offers available.
- The **Ux SWU Price** (Spot) considers spot offers for deliveries up to twelve months forward for other than Russian-origin SWU.
- The **Ux LT SWU Price** (Long-Term) reflects base-escalated long-term offers for multi-annual deliveries.

All prices, except for the weekly Ux U3O8 Price, are published the last Monday of each month. (Units: U3O8 = US\$ per pound, Conversion/UF6: US\$ per kgU, SWU: US\$ per SWU)

The Ux Prices represent neither an offer to sell nor a bid to buy the products or services listed.

\*\*The Euro price equivalents are based on exchange rate estimates at the time of publication and are for comparison purposes only.
